- Intermec AIT III Customer Support: 1-800-892-7007, Option 2

AIT III Products

- AIT III Hardware and Software
  - Full range of AIT solutions available
    - 1D/2D handheld imagers
    - PDF 417/data matrix imaging portable data collection devices
    - Imagers are compatible with existing IEEE 802.11b wireless infrastructure and existing common Win CE based applications
    - Bar code label printers
    - Contact memory buttons and probes

Portable Bar Code Label Printer

Bar Code Label Printer

CN2 Compact Portable Data Collection Terminal

AIT III Products (Cont'd.)

- Full range of AIT solutions available (Cont'd.)
  - Worldwide frequency supportability
  - HERO certifiable handheld scanners
  - IEEE 802.11b/g 11- 54 MBPS RF wireless communications
  - FIPS-140 RF wireless network security
  - CAC interface for portable data collection devices
  - Transit cases and transit case groups

AIT III Services

- Solution provider services available through Technical Engineering Services (TES)
  - Analyze business processes
  - AIT application design and integration
  - Component integration with enterprise software
  - Implementation and installation
  - Instruction and training
- Warranty services for purchased products
- Equipment maintenance after expiration of warranty
- Help Desk support worldwide through life of contract

AIT II Comparison

- AIT III products are comparable to AIT II products, upgrades to include:
  - 802.11g radios and WinCE.NET 4.2 in all Portable Data Collection Terminals (PDCTs)
  - Common Access Card (CAC) card interface for all PDCTs
  - NiMH battery for portable bar code printer
  - 1 Gigabyte and 256 MB SanDisk PC cards
  - 64K, 32K, and 4K MacSema memory buttons
